

CAPE VINCENT ARTS COUNCIL

Dedicated to Bringing the Arts to Cape Vincent

Oct 1, 2025

Dear Artists and Artisans

Reaching out to you today to explore your interest in teaching workshops next year at the Cape Vincent Recreation Center.

For over 25 years, the Cape Vincent Arts Council (CVAC) has been providing opportunities for our community to enjoy and participate in the arts. We are a 501(c)(3) non-profit organization consisting entirely of volunteers dedicated to ensuring a vibrant arts scene in Cape Vincent for the enjoyment of all.

The Cape Vincent Recreation Center is equipped with A/C, ample parking and seating arrangements, large screen TV/Monitor, kitchen facilities, restrooms, great natural light and Wifi.

The Arts Council is interesting in holding workshops in multiple disciplines such as painting, drawing, jewelry making, mosaics, basketry, chair caning, and any other art forms that might work within the resources available at the Recreation Center. Art program topics are wide open.

This inquiry letter is being sent out as a preliminary search for artists and artisans who are interested in exploring programs in conjunction with The Cape Vincent Arts Council for the summer of 2026.

Schedules, programs and specific cost and student requirement details will be worked out with those artists and artisans who express interest in response to this solicitation.

The Arts Council is excited about the 2026 Adult Education Program and look forward to working with all of you !

If you would like to explore working with the Arts Council by sharing your talents with others next summer, please respond to Dave Dinger at either ddinger382@aol.com or by calling 315-730-3708.

Thank you
Respectively

Dave
