

## NNY RIVERSIDE MUSIC & ARTS FESTIVAL

**Cape Vincent, New York - July 29, 2023** Cape Vincent Arts Council is hosting our second annual music festival to feature Northern New York's next generation of local musicians. From individual performances to full bands, the day will be filled with original songs and familiar music, all from emerging local artists.

In addition to our use of the Village Green's main stage, a second stage will be set up to keep the music flowing all day. We anticipate another well attended event, which will run from 11 AM to about 9 PM. The crowds are ever-changing, and come and go all day as visitors catch their favorite bands and venture to and from local establishments. Cape Vincent's finest shops and eateries are within walking distance of the venue.

*The Purposes of the Cape Vincent Arts Council, or "CVAC," are to increase and broaden opportunities for enjoyment of and participation in cultural activities in and around Cape Vincent by:*

- *Advancing appreciation of the arts through arts experiences, inspiration and information.*
- *Providing and promoting programs, exhibits, events and opportunities in all facets of the arts to attract and benefit an inclusive range of ages, interests and cultures.*
- *Advancing education in the arts by offering scholarships, grants, awards or prizes to individuals or organizations and by working with other agencies to develop opportunities for education and learning in and about the arts.*
- *Promoting commerce and industry in the arts and for artists by providing a forum and facilities for artists to develop, exhibit, promote and market their works.*

**To expand on this great event, it will become the NNY Riverside Music & Arts Festival in 2023.**
